

Technical Data

MULSOLV

HEAVY DUTY INDUSTRIAL DEGREASER

MULSOLV is a concentrated cleaner and degreaser, it is specially formulated to remove the heaviest build up of grease, oil and dirt from all machinery, engines, industrial flooring and other equipment. **MULSOLV** is also ideally suited for Bunker "C" cleaning as well as for use in dip tanks.

APPROVALS

MULSOLV is approved by the Ministry of Energy and Energy Industries for use in the Petroleum Industry.

ADVANTAGES

1. **ECONOMICAL** - **MULSOLV** is highly concentrated and can be diluted up to 10:1 with Diesel, Kerosene, White Spirits or even water
2. **SAFE** - Biodegradable and environmentally friendly. Used in a skimmer type capture system, **MULSOLV** exhibits maximum performance and can be used on all types of surfaces without any special safety precautions. We recommend however that a small area be tested first.
3. **EFFECTIVE** - **MULSOLV** emulsifies completely with the wash water, eliminating the normally required second washing with detergents

INSTRUCTIONS FOR USE

For cleaning equipment and surfaces, dilute **MULSOLV** between 5:1 and 10:1 with White Spirits, Kerosene or Diesel. Mop or brush the diluted **MULSOLV** and leave to act for 5 minutes. Agitate with a stiff broom or on very heavy deposits and equipment spraying with a power hose may be necessary.

MULSOLV diluted as above is an excellent solution for dip tanks.

MULSOLV can even be diluted effectively with water as an excellent cleaning compound for regular cleaning and maintenance.

GENERAL PROPERTIES

Appearance - Deep red clear liquid
Odor - Banana
Specific Gravity - 0.84 - 0.89

CAUTION

MULSOLV contains solvents and is flammable. Avoid direct contact with eyes and skin. Wear appropriate eye protection and gloves. Keep away from children and avoid ingestion. If swallowed do not induce vomiting. Drink milk or Milk of Magnesia and seek medical attention.

MULSOLV is one of a complete range of Industrial Cleaners and Degreasers produced by SCL (Trinidad) Limited.

OTHER PRODUCTS INCLUDE

SPEKLEAN - Biodegradable, Water Based, Heavy-Duty Degreaser
RUSTAWAY - Rust Remover / Renovator
