

PINESPEC- (ITEM CODE: JAN-520)

PINE OIL BASED DISINFECTANT AND SANITIZER

Pinespec is a new disinfectant formulation containing highly refined Pine oil plus additional agents to improve penetration and disinfecting efficiency. Where other products may be pine scented, Pinespec offers a fresh and complete kind of disinfectant efficiency never obtainable with pine oil alone. The product is economical and effective, while retaining the pleasant pine scent desired by many.

ADVANTAGES

ECONOMICAL - Pinespec can be readily diluted for light or heavy duty cleaning.

DEODORIZING - Old-fashioned pine scent

DISINFECTANT - Contains germicidal agents against **gram-positive and gram-negative bacteria**

VERSITILE - For use in institutions, hospitals, hotels, schools and homes.

INSTRUCTIONS FOR USE

PINESPEC can be diluted for use depending on desired result. For maximum efficiency, clean surface well before applying product, or use one cup per gallon water to clean and disinfect. Let solution remain on surface as long as possible. Mix half cup Pinespec to one bucket water, this is effective S-typhosa.
