COMPANY PROFILE

Our Vision

To be the leader in the provision of Construction, Engineering, Industrial & Janitorial products in the Caribbean and Central American region.

Our Mission

To provide products and services to our customers that add value to their business and ensure our profitability. To be a company driven by principles of Quality, Service & Technology, committed to our customers, providing a superior return to our shareholders whilst preserving the well-being & development of our employees and the preservation of the environment.

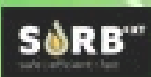

Our Experience

We are committed to a tradition of providing innovative, quality products and services to meet the needs of the Engineering, Industrial, Janitorial, and other key sectors. As part of our ongoing development, we are always improving our technology in addition to diversifying our product lines to satisfy the dynamics of market demands.

SCL (Trinidad) Limited represents some of the world's leading companies providing superior products and a wide range of services to its diverse customer base, which include Construction Companies, Oil & Gas Companies, General Contractors, Janitorial Companies as well as the Food & Beverage Manufacturing Plants.

Our close associations with the engineering and research institutions in the region keeps us on the leading edge of technology and allows us to maintain our position as leaders in the industry.

With a staff of highly trained and experienced team members, SCL has developed into a streamlined business with an extensive network of distributors who provide on hand inventory, first-class customer service and guaranteed satisfaction. We have become known as the **Solution Provider**.

LOCALLY MANUFACTURED CHEMICALS

DEGREASERS

ENVIROSOLV DEGREASER IND-040

Envirosolv Ready-to-use (RTU) is a powerful, water-based cleaner and degreaser that has been formulated for use in all environments. It can be used to clean telephones, desks, walls, and tabletops safely and leaves no residue, safe on Aluminum.

ENVIROSOLV DEGREASER Ready to Use (RTU)

Also, available in Ready to Use (RTU) 1L

SPEKLEAN DEGREASER IND-050

Speklean is a specially developed synthetic water-based solvent, designed especially for industrial cleaning and maintenance purposes. Speklean quickly and easily penetrates and removes most industrial contaminants such as Dirt, Grease, Wax, Ink etc.

KICKER KITCHEN DEREASER IND-060

Kicker is a unique formulation of bio-degradable detergents and penetrants. Specially designed to remove edible grease deposits from kitchen working surfaces, such as ovens, kitchen ranges, filters, fryers etc.

KICKER KITCHEN DEGREASER Ready to Use (RTU)

Also, available in Ready to Use (RTU) 1L and 4L

INDUSTRIAL CLEANERS: ACID-BASED

RUSTAWAY RUST REMOVER IND-630

RUSTAWAY is a blend of specially selected acids, surfactants, and corrosion inhibitors. It is ideal for use where rusted objects are to be cleaned free of rust and prepared for painting or priming. RUSTAWAY efficiently dissolves rust and provides an etched surface, which guarantees improved paint adhesion.

KONKLEEN CONCRETE CLEANER ST-020

Konkleen is a concentrated concrete cleaner that penetrates to break and dissolve lime deposits, scale, rust, algae, and stains. Konkleen is used in the scale-removing process in sewerage plants, water treatment facilities, etc. It is also useful for the removal of concrete droppings from brickwork and concrete surfaces and is safe to use on wood, glass, plastics, and rubber.

QUARRY CLEAN JAN-130

Quarry Clean is a combination of Hydrochloric acid and special surfactants blended especially for use with clay tiles or pavers, for the removal of limescale, cement, and water stains.

SPIC TOILET BOWL CLEANER JAN-370/371

SPIC is a unique Janitorial cleaning and disinfecting toilet bowl and urinal cleaner. SPIC removes stains and scales, while destroying germs that cause bad odor.

SPECIALIZED DETERGENTS

<p>FLEETWASH IND-300</p>	<p>FLEETWASH is a non-flammable, non-toxic, biodegradable liquid detergent, which can be used on all types of vehicles and painted surfaces. It can also be used in a foaming cannon.</p>	
<p>POWER PLUS DISH WASHING LIQUID IND-790</p>	<p>POWER PLUS DISHWASHING LIQUID is a citrus-scented, concentrated hand dishwashing liquid that easily removes all dried-on food residues and grease from all kitchenware. This product produces a long-lasting, stable foam that traps dirt and rinses away easily.</p>	
<p>POWER PLUS LAUNDRY DETERGENT IND-800</p>	<p>PowerPlus - Liquid Laundry Detergent is a heavy-duty laundry detergent with the power to take out tough stains, plus gentle care for your clothes. Its special formula contains non-streaking agents, lanolin, and surfactants that are effective yet gentle on your skin, as well as a premium-grade bacteriostatic agent to clean and disinfect your clothes.</p>	
<p>HS310 ANTIBACTERIAL HAND SOAP IND-442</p>	<p>HS310 is a lotionised, bacteriostatic hand cleaner, which aids in controlling the spread of bacteria on the skin. All levels of domestic, institutional, and industrial personnel need HS 310 for daily hand care and skin protection. Available in Retail Powerplus 1L size with a pump.</p>	
<p>PROTAIN C919 JAN-290</p>	<p>PROTAIN CS-919 is specially formulated for use in modern equipment as carpet shampoo. Carefully formulated with specific materials that produce dirt-lifting foam immediately, during and after agitation, whilst other materials ensure total breakdown of the foam, when the dirty solution is being vacuumed. Special brightening</p>	

CLEANERS / SANITIZERS/ DISINFECTANTS

<p>POWER PLUS ALL PURPOSE CLEANER JAN-141</p>	<p>PowerPlus All-Purpose Cleaner eliminates germs, bacteria, Viruses (Covid-19 Coronavirus), soap scum and tough grease in kitchens, bathrooms and other common household areas. Power Plus All Purpose Cleaner helps achieve fresh, clean, healthy surfaces, cutting through grease while killing germs to provide a safer environment.</p>	
<p>POWERPLUS WINDOW AND GLASS CLEANER JAN-376</p>	<p>POWERPLUS Window and Glass Cleaner is an Ammonia-Free glass cleaner that dries streak-free, leaving a fresh scent. It is versatile and safe enough to use on your most delicate glass surfaces, yet strong enough to quickly cut through the toughest dirt, dust, fingerprint, and haze deposits. It can be used on glass & mirrors, granite, tinted glass, marble, laminate tops, stainless steel, etc.</p>	
<p>SANIFECT – SANITIZING DISINFECTANT JAN-176</p>	<p>SCL DISINFECTANT/SANITIZER is a concentrated disinfectant cleaner to be used on hard non-porous surfaces, such as floors, walls, desks or countertops, tables and chairs, telephones, bed frames, and cabinets to clean, disinfect, and deodorize.</p>	
<p>PINESPEC PINE OIL DISINFECTANT JAN-520</p>	<p>Pinespec is a new disinfectant formulation containing highly refined Pine oil plus additional agents to improve penetration and disinfecting efficiency. Where other products may be pine scented, Pinespec offers a fresh and complete kind of disinfectant efficiency never obtainable with pine oil alone.</p>	
<p>POWER PLUS HAND SANITIZER 70% JAN-144</p>	<p>PowerPlus Hand Sanitizer kills 99.99% of germs in 15 seconds without the use of soap and water. It evaporates completely without the need to rinse and contains moisturizing agents to add moisture to each use. Available in liquid and gel.</p>	

FLOOR CARE – CLEANER, SEALERS & POLISHERS

<p>PROTAIN NC – FLOOR NEUTRAL CLEANER JAN-170</p>	<p>Protain NC is a powerful neutral type of cleaner for all surfaces. It can be used on all types of hard surfaces in a wide range of industries, including offices, schools, churches, hospitals, nursing homes, etc.</p>	
<p>SPEC SUPER-STRIP JAN-190</p>	<p>Spec- Super Strip is an industrial-grade, concentrated emulsion floor stripper that dissolves the heaviest build-up of polishes and finishes, leaving little or no residue.</p>	
<p>PROGLOSS PREMIUM JAN-203</p>	<p>PROGLOSS PREMIUM is a specially formulated, high solids, low maintenance acrylic polish designed for use in the hardest use areas. The unique ingredients ensure that the ultra-high gloss attained shines through the wear, maintaining the high overall appearance.</p>	
<p>QUARRY GLAZE JAN-202</p>	<p>QUARRY GLAZE is a urethane-modified acrylic emulsion and sealer for indoor clay pavers and porous quarry tiles, specially formulated with a blend of polymers designed to give optimum performance under the most demanding conditions.</p>	
<p>PROSEAL JAN-201</p>	<p>Proseal is an Acrylic Polymer designed especially for use as a sealer for almost all types of floors, including terrazzo, marble, tiles, and concrete.</p>	

FLOOR CARE – CLEANER, SEALERS & POLISHERS CON'T

<p>SCL ONE STEP JAN-206</p>	<p>SCL ONE-STEP is an economical, durable, high-gloss, and convenient “all-in-one” sealer and polish system for vinyl, terrazzo, linoleum, unglazed ceramic tiles, concrete tiles, etc.</p>	
<p>SPECIALIST SUPERSEAL B 66 JAN-205</p>	<p>SUPER SEAL B66 is a solvent based acrylic curing and sealing treatment for new or existing concrete, which provides dustproof finish. Used on interior and exterior surfaces, giving an easy to clean area as well as being resistant to penetration of most oils and liquids. Provides excellent adhesion and cures to a hard-wearing surface. SUPER SEAL B66 is ideal for Warehouse, Garages, Industrial areas, Car park, Facing stones and similar areas.</p>	

VEHICLE COOLANT

<p>DURATECT COOLANT</p>	<p>DURATECT is a complete glycol-based coolant and treatment for cooling systems in Gasoline and Diesel internal combustion engines. Use DURATECT to provide superior engine protection, extend service intervals, and simplify your maintenance program DURATECT will protect ferrous metals, copper and copper alloys, and all other metals. It will not harm seals/gaskets and any non-metallic components that are included in the cooling system DURATECT has been tested to pass and exceed ASTM D 665</p>
